

# Leo

Leo is a curved bench, which, when placed together, can create unique setups that are excellent for collaboration between students. Leo is easy-to-move and can be arranged in ways, from serpentine to a full circle configuration, depending on your space and how you want to put them to use.

Leo

## Junior Size (14" Seat Height)

### LEO14

42"W x 21"D x 14"H  
Seat 14"H

## Middle Size (16" Seat Height)

### LEO16

42"W x 21"D x 16"H  
Seat 16"H

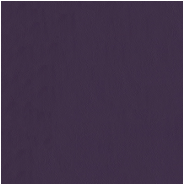

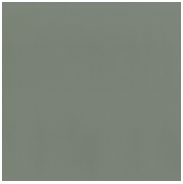

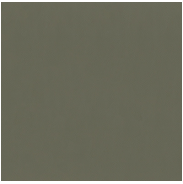

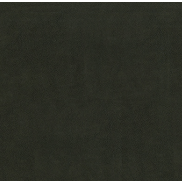

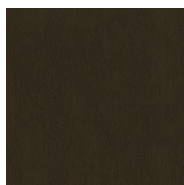

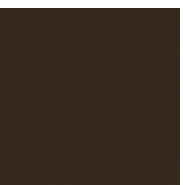

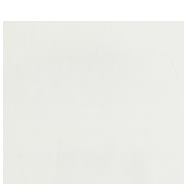

## Senior Size (18" Seat Height)

### LEO18

42"W x 21"D x 18"H  
Seat 18"H

|                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |                                                                                       |
